Financial Statements means:

The Consolidated Balance Sheet, Consolidated Income and expenditure Statement, Consolidated Cash-flow Statement, Notes and related schedules of Mwanga District Council for the year ended 30th June 2005.

Council means - Mwanga District Council, both as Councilors as well as an operating entity.

1.0 BACKGROUND INFORMATION TO THE AUDIT

1.1 Introduction:

I have completed the audit of Mwangi District Council for the year ended 30th June 2005. Audit findings arising from examination of accounting records, appraisal of activities and evaluation of the internal control system which require Management attention and action are set out under part three of this report.

1.2 Brief history of Client Establishment

The Mwangi District Council was established in 1984 in terms of the provisions of sections 8 and 9 of the Local Government Act (District Authorities) 1982. Besides the Act, the council operates within the framework of the following instruments.

- Local Authority Financial Memorandum 1997.
- Public Procurement Act no 21 of 2004.
- Local Government Finances Act no 9 of 1982.

1.3 Operational Objectives

According to the Local Government (District Authorities) Act the Mwangi District Council has the following objectives:

- (a) To maintain and facilitate maintenance of peace, order and good Governance within its area of jurisdiction.
- (b) To promote the social welfare and economic well being of all persons within its area of jurisdiction.
- (c) Subject to the national policy and plans for Rural and Urban Development, to further the social and economic development of its area of jurisdiction.
- (d) Collection of Public funds through taxes, licences, fees and charges.
- (e) To convince the public that the use of funds have achieved the maximum benefits through sound financial management.

1.4 Financing

The Council has two sources of funds, own sources and external source. The Internal source includes collection of Public funds through, taxes, fees, licences and charges. On the other hand external source include subsidies from central government, grant and loans from donor community. Total Income during the year was Shs.3,808,819,394 made up of Shs.136,036,907 from own sources and Shs.3,672,782,487 from government grants.

1.5 Management

Mwanga District Council operates under directives of the full Council, which is a supreme body for legislative responsibilities. Under the Full Council there are three Committees, which are directly answerable to it. The Chief Executive for the District Council is the District Executive Director (DED) who is responsible for the day-to-day activities. The structure has positions of Internal Auditor and Legal Officer with responsibilities of advising the Director on matters falling under their jurisdiction.

In addition the structure provides for functional departments namely: Administration, Finance and Trade, Health, Education, Works, Town Planning and Environment and Agriculture, Livestock and Co-operatives as well as Social Welfare and Community Development.

The pictorial management structure of the District Council is shown as appendix to this report.

1.6 Internal Control System

A System of internal control that should be adopted by councils is given under order 9 through 11 of the Local Authority Financial memorandum 1997. The Order requires the finance committee to adopt written procedures for proper control of finances. In addition, the Director and the Treasurer should ensure there is assignment of specific responsibilities to individual officers, an organization chart of the Finance Department division of responsibilities and periodic rotation of duties. Accountability of all areas of operations by the Director or his designated representative to check effectiveness of the control system is mandatory. The Council is also required to employ its own Internal Auditor who reports directly to the Director. Similarly, the Public Procurement Act No.21 of 2004 Section 28 (1) requires the Council to establish a Tender Board and Sect.34 (1) provides for establishment of Procurement Management Unit.

The Internal Control set up of Mwanga District Council abide by this order and Procurement Act but it is lacking an audit committee which is part of transparency and good governance. Nevertheless weaknesses arising from review of internal control system are included under part 3 of this report.

1.7 Financial performance

(i) Revenue

Approved estimate of revenue from own source was Shs.195,629,391. However, according to the schedule of revenue the actual collection was Shs.136,036,907 resulting into under collection of Shs.59,592,484.

(ii) Surplus/deficit

According to the consolidated income and expenditure statement for the year ended 30th June, 2005, the total income for the year was Shs.3,799,747,381 while the total expenditure amounted to Shs.4,149,448,531 hence, causing a deficit of Shs.349,701,149.

(iii) Own source revenue understated Shs.9,072,013

The revenue statement for the year revealed the total collection figure of Shs.136,036,907 from own source. However, according to the consolidated income and expenditure statement, the total collection from own source is shown as Shs.126,964,894, understating the figure by Shs.9,072,013. As a result the total income and deficit figures should have been Shs.3,808,819,394 and Shs.(340,629,137) respectively.

1.8 Audit Mandate:

By virtue of the provision of Article 143 of the constitution of the United Republic of Tanzania, and Section 45 of the Local Government Public Finance Act No.9 of 1982, Revised in 2000, the Controller and Auditor General is the statutory auditor of all government offices including Local Authorities.

1.9 Audit Objectives.

The main objective of carrying out the audit is to enable me to express an independent opinion on the financial statements of the District Council for the year ended 30th June, 2005 and in particular:-

- To determine whether transactions were executed in accordance with the financial regulations, and recorded properly in the books of accounts for easy preparation of the financial statements.
- To determine whether the revenues due have been collected and used to meet expenses as per approved budget and governing regulations.
- To ascertain whether all supporting documents, records and accounts have been kept in respect of all Council activities.
- To verify whether goods and services bought were acquired through laid down procedures.
- To perform compliance tests to confirm whether Management complied in all material respects with regulations.
- To evaluate whether the internal control procedures instituted are effective to provide relevant and reasonable information to the Management, for implementing and monitoring activities and that the assets of the authority are adequately safeguarded against losses from unauthorized use or disposition.
- To verify whether the Council has implemented audit recommendations made in previous audits.

1.10 Audit Scope

The audit was carried out in accordance with the International standards on auditing and INTOSAI audit procedures. The audit covered the evaluation of effectiveness of the financial accounting system and Internal control over the activities of the District Council, examination and verification of the accompanying financial statements and other auditing procedures as was considered necessary for the purpose of forming an opinion on the financial statements. The audit was conducted on a test check basis; therefore, the findings are confined to the extent that records and information requested for the purpose of the audit were made available to us.

As an auditor, I am not required to search specifically for fraud; therefore my audit cannot be relied upon to disclose all such matters. However, my audit was planned so that I would have a reasonable expectation of detecting material misstatement in the financial statements resulting from irregularities or fraud. The responsibility for detection and prevention of irregularities and fraud rests with the Council Management who are responsible for setting up and maintaining an adequate and effective system of internal control.

1.11 Audit Methodology

In auditing the financial statements together with their underlying records, the following principal audit steps were followed;

- A review of the council's regulations, guidelines and other Authority's documents as was deemed necessary under the circumstances.
- Examination of receipts and payments to confirm compliance with existing legislation, financial regulations and other instructions or directives.
- A review of the internal control structure by assessing significant policies and procedures and establish its adequacy.
- Review of financial statements, progress reports, various implementation reports and other associated information.
- Conduct compliance tests on the system of awarding contracts and their execution.
- Interview and discuss with some of the staff and other key stakeholders in the implementation of various activities.
- Conduct Local inspection to verify physical implementation of planned activities as well as assessing the progress made.
- Hold entrance and exit meetings with the auditee to discuss the audit objectives and results of the audit respectively.

1.12 Presentation of Audit Findings

The audit was carried out according to the mandate stated above, applying professional standards and audit procedures that were considered appropriate in each situation.

The audit findings are divided into two parts. The first part comprises the opinion on the critical examination of the financial statements submitted for audit and the circumstances surrounding their preparation and presentation.

The second part comprises the detailed findings on the gaps and shortfalls in the internal control system, which, if rectified on time, will greatly, improve the effectiveness of the internal control system applied.

2.0 AUDIT REPORT ON THE FINANCIAL STATEMENTS

To: The Regional Commissioner,
Kilimanjaro Region.

District Executive Director and Accounting Officer,
Mwanga District Council.

RE: INDEPENDENT AUDIT REPORT ON THE FINANCIAL STATEMENTS OF MWANGA DISTRICT COUNCIL FOR THE YEAR ENDED ON 30TH JUNE 2005

I have audited the Consolidated Balance Sheet, Consolidated Statement of Income and Expenditure, Consolidated Cash-flow Statement and the related notes and schedules of the Mwanga District Council shown as annexure of this report for the financial year ended on 30 June 2005.

Responsibility of Council Management on the financial statements

These financial statements are the responsibility of the management of Mwanga District Council.

Order Nos. 9 through 16 of the LAFM requires the Council to establish and support a sound system of Internal Control within the Council. Order No. 53 places responsibility on the Council Management to prepare the financial statements based on Generally Accepted Accounting Standards. Further, section 40 of the Act requires the Accounting Officer to keep and maintain accounts and prepare financial statements in respect of the Council operations in a manner that promotes transparency, accountability and comparability.

Responsibility of the Controller and Auditor General

My responsibility is to express an independent opinion based on the audit. I am also required to satisfy myself whether the funds contributed to the Council were used exclusively and judiciously to meet eligible expenditures with due regard to economy and efficiency, whether the accounts have been kept in accordance with Generally Accepted Accounting Standards, and whether they do comply with the requirements of the Local Government Finances Act No.9 of 1982 and the Local Authorities Financial Memorandum of 1997.

Basis of opinion

The audit was conducted in accordance with International Standards on Auditing and included such other audit procedures I considered necessary in the circumstances. These standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. It also includes assessing the significant estimates and judgments made in the preparation of the financial statements, assessing whether the internal control system and the accounting policies are appropriate to the circumstances of the Mwanga District Council, consistently applied and adequately disclosed, evaluating the overall financial statement presentation, and assessing the extent of compliance with the statutory requirements. I believe the audit provides a reasonable basis for my opinion.

The financial statements have been prepared and presented based on the accrual principle of accounting pursuant to Order Nos.56 through 58 of the LAFM. Under the accrual basis, all revenues and all the related costs are matched with the period in which they were earned and incurred.

Opinion

In my opinion, the financial statements fairly reflect, in all material respects, the financial position of Mwanga District Council as at 30th June 2005 and the results of its operations and cash flows for the year then ended, in accordance with Part IV of Local Government Finance Act No.9 of 1982.

Further to my opinion, the transactions of purchases of diesel/petrol, stationery, hospital supplies and minor works which I have tested as part of the audit, have generally complied with the requirements of the Public Finance Act No. 6 of 2001, and Public Procurement Act No. 4 of 2004.

3.0 AUDIT FINDINGS AND RECOMMENDATIONS

3.1 Status of the previous year's audit recommendation.

Matters raised in the previous year's management letter have been dealt with and no matters are still outstanding.

3.2 Current Year's Audit Findings

3.2.1 Financial controls

(i) Outstanding loan from Deposit Account Shs.5,065,000

In December 2004 two payments amounting to Shs.5,065,000 were made from Deposit Account to the General Fund Account as a loan to meet various expenses. However up to the time of audit the whole amount has not been refunded to the Deposit Account.

Implication.

It implies that some activities whose funds were kept in the deposit Account could not be executed.

Recommendation.

The management should ensure the above loan is refunded to the Deposit Account.

(ii) Outstanding debtors Shs.20,514,582

Examination of financial statements revealed the following outstanding balances:

| | |
|-----------------------|-------------------|
| • Outstanding imprest | 7,692,782 |
| • Salary Allowance | 143,891 |
| • Debtors | <u>12,677,909</u> |
| | 20,514,582 |
| | ===== |

The accounts did not include details of the individual Debtors with age analysis. Moreover, the Council did not state its policy on Debtors and no provision for bad doubtful debts was made.

Implication.

Lack of age analysis limits assessment of bad and doubtful debts.

Recommendation.

The management is advised to improve debts collection efforts.

(iii) Unclaimed salaries Shs.15,069,119

The unclaimed salaries at the end of the year amounted to Shs.15,069,119. However, failure to pay bonafide payee has not been explained.

Implication.

Misappropriation of public funds.

Recommendation

The management should ensure that salaries whose payees are no longer in the government services are refunded to the Ministry of Finance.

4.0 CONCLUSION

The detailed audit findings presented above have been communicated to management of the Mwanza District Council during exit meeting. The Management has promised to take appropriate action with a view to rectify the situation. I shall appreciate to receive formally the actions taken in this respect.

Lastly, I would like to express my appreciation for the cooperation given to the audit team. It is my hope that such good working relationships will be extended during future audits.
